

# Love Is Blindness

Jacquie Lee

Love is blindness,  
I don't wanna see  
Won't you wrap the night  
Around me  
Oh, my heart  
Love is blindness.

I'm in a parked car  
On a crowded street,  
And I see my love  
Made complete.  
The thread is ripping  
The knot is slipping.  
Love is blindness.

Love is clockworks,  
And it's cold steel  
Fingers too numb to feel  
Squeeze the handle  
Blow out the candle  
Blindness

Love is blindness  
I don't wanna see  
Won't you wrap the night  
Around me  
Oh my love  
Blindness

A little death  
Without mourning  
No call  
No Warning  
Baby, a dangerous idea...  
Almost makes...sense

Love is drowning  
In a deep web  
All the secrets  
And no body else to tell  
Take the money  
Why don't you honey  
Blindness

Love is blindness,  
I'm so sick of it,  
I don't wanna see  
Why don't you just take the night  
And wrap it all around me, now  
Oh my love  
Blindness

Oh, I'm too numb to feel...  
Blow out the candle.  
Blindness.
