

# We Remain

Jacquie Lee

All the ways that you think you know me  
All the limits that you figured out, limits that you figured out  
Had to learn to keep it all below me  
Just to keep from being thrown around  
just to keep from being thrown around

Yeah every single time the wind blows  
Every single time the wind blows  
I see it in your face (Mmm)

In a cold night  
There will be no fair fight  
There will be no good night  
To turn and walk away

To burn me with fire,  
Drown me with rain  
I'm gonna wake up  
Screaming your name

Yes I'm a sinner  
Yes I'm a saint  
Whatever happens here  
Whatever happens here  
We remain

Now we talk about a wasted future  
But we take a good look around  
Yeah we take a good look around

Yeah we know it, it hasn't been for nothing  
'Cause we'll never let it slow us down  
No we'll never let it slow us down  
(Oh yeah)

Yeah every single time the wind blows  
Every single time the wind blows  
I see it in your face (Mmm)

In a cold night  
There will be no fair fight  
There will be no good night  
To turn and walk away

So burn me with fire,  
Drown me with rain  
I'm gonna wake up  
Screaming your name

Yes I'm a sinner  
Yes I'm a saint  
Whatever happens here  
Whatever happens here  
We remain

Said we remain, we remain

Burn me with fire  
Drown me with rain  
I'm gonna wake up  
Screaming your name

Yes I'm a sinner  
Yes I'm a saint  
Whatever happens here  
Whatever happens here  
We remain
