5-4-3-2-1 Yo Time Is Up!

```
You gotta go on, bae
With your life
You had to get yours and now
I'm gotta get mine
You came with me
And you know that I don't play
I'm sorry um um
It ain't going your way
5-4-3-2-1 your time is up
Oh
Um
Ah Aw Ooh
Неу
You had to get yours
And now I gotta get mine
No more games we're playing boy and...
No more, lies
No No No it ain't going your way
I got a count down for you
It'll send you on your way
5-4-3-2-1 your time is up
```
