it work though girl I'm not a  
jerk, I just wanna see you  
twerk.

Uh, jeez. So back it up 'til

go get in some trouble, so  
I'll go handle the bill and

Cuz you certainly lookin'  
like the hottest model  
when you in that dress ooh

motto.

Oh, and you just scared of

something long-term, mess  
it up as soon as I say the  
wrong words.

What doesn't kill me is  
probably gon' make me  
stronger

I'm a workaholic girl that's  
why you call me Anders

Bring the guitar and they  
bringin' us all in, were  
waiting at valet, they  
bringing my car in  
And we're making a  
Maybach movie and it's  
starring me and my clique,  
we're kickin' it like a  
sidekick
