

# The Coolest

Jaden Smith

It's the coolest of the coolest  
It's the smoothest of the smoothest  
It's the crudest and the rudest of the stupid kids  
Mr. Vicious with his misses  
Blowing kisses to his mistress  
And his misses blowing riches like some hooligans  
I wasn't tripping I just listen  
To these women when they sipping on them juices  
They say "Jaden yeah he's too legit"  
And I be flipping cause they slipping  
And they dipping in the pool they saying pool  
And they be drooling cause I'm super rich  
I might be tripping but I'm living how I'm living  
I'm fourteen I'll be forgiven  
So forget it bro I'm moving in  
I don't care how you be getting all offended  
Cause I'm taking all the women  
Well I'm sorry bro I do it big  
So just listen when I'm spitting  
It's the realest that you getting  
Of these writtens if you messing with the stupid kid  
But if you isn't never get it  
Cause I didn't mean to push you  
If you want it and you need it girl then come and get it  
Yeah

It's the coolest

I'm the leader of the leaders on the leader boards  
We be winning when I'm spitting I don't need the score  
I just eat you like a cheetah and it's getting boring  
Spitting bars check the blogs if you need some more  
MSFTS in this man what's the deal  
Me, Moy and Matteo yeah that's the trio  
About to get up on the stage cause we feeling ill  
Chilling with ebony crew depending upon how I feel  
Yeah  
Cause the youth is taking over  
Baby you can cry up on my shoulder  
Sixer season ticket holder  
And my flows are only getting colder  
And I told yer  
Click  
That there's no other  
Please you ain't messing with my Cs in the Suburbs  
Getting beats from Ace everyone knows that's my brother  
And teachers tell me walk but I really rather hover in the jamfest

It's the coolest

It's the wanna be ghetto kid  
Yes I'm about to level with  
All of my homies, all of my fellows  
It's crazy  
Man you messing with the MSFTS  
Man I doubt that we gon' settle it  
That's because lately

I've been sipping on a soda  
And I'm chilling with a hottie and she's really into yoga  
My baby  
Love notice what I wrote her  
And she kiss me on the lips every time a joker show up  
But they see  
Just a bunch of kids who don't know what love is  
And think that we should wait 'til we get older  
Huh maybe  
But I'd rather swallow throw up  
Cause I'm chilling with my girl and I doubt I'll ever grow up  
But you know what? They ain't gonna slow us up  
We the youngest, we the ones that know what's up  
I'm an alien my flow is just so up-ductable  
Conspiracy theories never go as up  
I'm done
