

## Saved By Grace

Jadon Lavik

Somewhere deep inside my heart and mind  
Your spirit moves and brings Your words to life  
Revealing all my sins, my careless ways  
Reminding me, my debt to You has been paid  
It has been paid  
And I've been saved by grace  
And I've been saved by love  
There is nothing more You could have done  
You sent Your son  
And I've been saved by grace  
Searching for the words to thank my king  
Humbled by my silent offering  
Tears of joy well from the depths of my soul  
There is no greater gift I know , I'll ever know  
Ever know  
And I've been saved by grace  
And I've been saved by love  
There is nothing more You could have done  
You sent Your son  
And I've been saved by grace, saved by grace  
I've been saved by grace  
I've been saved by love  
There is nothing more You could have done  
You sent Your son  
I've been saved by grace  
I've been saved by love  
There is nothing more You could have done  
You sent Your son, You sent Your son  
I've been saved by grace  
I've been saved by love  
There is nothing more You could have done  
You sent Your son
