

## Rowdy

Jae Millz

Two fingers in the air cause I'm too gone  
Tell them hating ass niggas don't lose hope  
And tell the waitress bring a few more  
We in this bitch like before you get 2-0  
She with a friend, hope I did them both  
And when you fuck boys, guy I hope you be broke  
I like my girls small waist big culo  
Pussy bubble gum pink like Nuvo  
Flow tight like precious in the tudo  
Oh you're finally getting money nigga Kudos!  
I've been about mine since the playground  
Since another bad creation made the playground  
Cut the molly,  
Beat that pussy up, then I tear it down  
And a hardcore freak is how I like her note  
That love but a Rowdy paper

Rowdy, Rowdy, I'm a young almost bought it  
100 K that's stuntin  
You see me that's money  
Rowdy, Rowdy I'm a young almost bought it

Had a centerfold before I put my foot on the street back  
Gas like the freeway when they put on a beat  
Heartbreakers in the stand like desert  
They fall us in the stray like the ass curve  
Rotty, rotty paper like the gas alert  
And I ain't playing with yo kids no more less turn  
I'd be smoking papers with the tellers  
When put a killer out of state  
12-13 filling cup of B12  
They hear me they hear the wave like sea shell  
Sit, vomit, people hatin on me  
But they don't know I get paid off every comment,  
Commas, that's commas  
Young Suzy go crazy on mamas  
Putting on the city everyday, YM this bitch
