

Baby Feel Me

Jagged Edge

Girl, don't you know
That you really got me gone
Blow my mind all the time
And I think about you, love

They got nothing on you, baby
Yes, my baby, you're my baby
They got nothing on you, baby
Yes, my baby, you're my baby

Are you really here now?
Tell me where you come from, girl?
Shawty, you can't be for real
You must be an angel sent from heaven
Just for me, teach me how to love for real

Those other girls
They don't mean nothing
'Cause of how you make me feel, yeah

Girl, don't you know
That you really got me gone
Blow my mind all the time
And I think about you, love

They got nothing on you, baby
Yes, my baby, you're my baby
They got nothing on you, baby
Yes, my baby, you're my baby

Girl, you're such a keeper
How did I deserve to get you?
I guess our love's for real
Was on my knees praying
I will find another love to do me right
Then, baby, you appeared, yeah

Those other girls
They don't mean nothing
'Cause of how you make me feel

Girl, don't you know
That you really got me gone
Blow my mind all the time
And I think about you, love

They got nothing on you, baby
Yes, my baby, you're my baby
They got nothing on you, baby
Yes, my baby, you're my baby

Yeah, yeah, yeah, yeah
Baby, you're one in a million
And I get so happy when I think about you
When I sleep, I dream about you, baby

Now I think it's time we really made ya

You were my leadstone major
I'll bet any amount of money
That no one like you

Girl, don't you know
That you really got me gone
Blow my mind all the time
I think about you, love

They got nothing on you, baby
Yes, my baby, you're my baby
They got nothing on you, baby
Yes, my baby, you're my baby

They got nothing on you, baby
Yes, my baby, you're my baby
They got nothing on you, baby
Yes, my baby, you're my baby
