

Can We Be Tight

Jagged Edge

Can we be tight again?
'Cause you want to know something
(Can we? Can we? Can we? ooh)
JE why'all

Can we be tight?
Can we be tight again?
Can we be tight?

I can't go one more day without your love, I'm giving up
Got all my niggas sayin' I'm a punk, and I don't want to
Feel like I'm chasing, wasting time on you
If you're really through that's cool
Don't hang up the phone as I pour my soul
It's been about two years, had fears
But girl I had to call you
I had to stop my drinking, smoking
Even stopped my balling
I heard that why'all broke up
Hope that you ain't too choked up
One day I just woke on up
Baby can we be tight...

[Chorus: Repeat 2X]
Can we be tight?
I want to be there for you all I can
Can we be tight again?
I know you just got over your man
Can we be tight?
I tried to ask you time and time again
Can we be tight again?
Again, again

I know that going on without someone you love can be so hard and
I know it's cause of him girl that you just can't let down your guard and
I know your relationship with him ain't work
It ain't like I'm the only jerk
Give me one more chance, girl I'll make it work
'Cause every day that I live
It seems I learn a lot more about women in general
They just want to be loved, just want to be hugged and kiss, be included
Every heart got a glitch
Every dog got it's bitch
Every man got a whip
Mine is you, oh, oh, oh

[Chorus: Repeat 2X]
Can we be tight?
I want to be there for you all I can
Can we be tight again?
I know you just got over your man
Can we be tight?
I tried to ask you time and time again
Can we be tight again?
Again, again

(Repeat 2X)

Can we be, can we be tight
Messed up in the past
And baby now I know better
Can we be, can we be tight
Give me one more chance
Girl I know I'll do it better

Can we be tight?
I want to be there for you all I can
Can we be tight again?
I know you just got over your man
Can we be tight?
I tried to ask you time and time again
Can we be tight again?
Again, again
