

Crying Out

Jagged Edge

Why can't I have a good girl
The kind I wanna give her the Finest things
Not just designer things
Loves, what I'm talkin' bout
Nothing more with that wilding out
I'm talkin' bout quality time
If you was, if you was
If you was a doctor,
You could pull out you're tool
And listen to my heart
Hear what it saying
No delayin' I'm prayin'
My heart is sayin'
Sayin' boom boom boom boom boom boom boom boom

Every time that I'm with you
Hear my body cryin' out
Say you hear me too
Don't judge me I'm just cryin' out
I'm lookin' for a good girl
Listen to my heart and hear the way it moans
Oh oh oh oh whoa whoa oh whoa woo
Listen how it moans
Oh oh oh oh whoa whoa oh whoa woo

With every love in my near future
Ain't talkin' bout the kind
When you give all you got
But in the end you still loose her
I'm talkin' bout the kind who truly understands
And she knows how to treat a man
Yes she do, yes she do yeah
I'm talkin' bout the kind that stays down with you
To the point her friends thinks she is stupid
That's what my heart needs, that's what my heart need yeah

Every time that I'm with you
Hear my body cryin' out
Say you hear me too
Don't judge me I'm just cryin' out
I'm lookin' for a good girl
Listen to my heart and hear the way it moans
Oh oh oh oh whoa whoa oh whoa woo
Listen how it moans
Oh oh oh oh whoaw whoaw oh whoaw woo

Just hear me cryin' out
My hearts cryin' out
It's cryin' out
My hearts cryin' out yeah
Uh oh, uh oh whoa

Every time that I'm with you
Hear my body cryin' out
Say you hear me too
Don't judge me I'm just cryin' out
I'm lookin' for a good girl

Listen to my heart and hear the way it moans
Oh oh oh oh whoa whoa oh whoa woo
Listen how it moans
Oh oh oh oh whoa whoa oh whoa woo
