

Girl It's Over

Jagged Edge

Baby you can leave, you can leave, you can leave
Cause I've been tired of you, even you tired of me
Don't forget one thing, thing
Drop, drop those keys
Cause I'm not trying to hold you back
So go ahead with all of that
And if you really wanna go, you can go
You already know there's the door, there's the door
It's too bad if you're not for sure, not for sure
Cause I ain't wanna do it like this
But I'm losing every ounce of self-control

You're just too scandalous
You couldn't handle this
Give me back my rings
Give me back my things
It's over
You kept listening to them haters
So here's your walking papers

Girl this is over
Give me my things back
You can keep the headaches
Just give me my keys back
You ain't gotta lie no more
We ain't seeing eye to eye, no more
Just give me my cds
You can keep the movies
Ain't no need to call me
I'm movin' on completely
You ain't gotta lie no more
We ain't seeing eye to eye, no more
No more, no more

If I thought it was me, it was me, it was me
Then I'd be down on my knees saying girl don't you leave
But I know that I've done gave it all I got, all I got
I damn near done broke my back
So go ahead with all of that
Cause if you really, really wanna know
Why I prefer that you just pack your things and go
I tried everything girl
All I got was pain girl
We both know that we need to be through

You're just too scandalous
You couldn't handle this
Give me back my rings
Give me back my things
It's over
You kept listening to them haters
So here's your walking papers

Girl this is over
Give me my things back
You can keep the headaches
Just give me my keys back

You ain't gotta lie no more
We ain't seeing eye to eye, no more
Just give me my cds
You can keep the movies
Ain't no need to call me
I'm movin' on completely
You ain't gotta lie no more
We ain't seeing eye to eye, no more
No more, no more

I really gotta change my life
Cause I'm tired of living like this
It seems like all we do is fight
Real love just ain't like this
Can't stay not another night
But you know you're gonna miss my kiss
I hope you have a good life
Cause I gotta say bye-bye
I really gotta change my life
I'm tired of living like this
It seems like all we do is fight
Real love just ain't like this
Can't stay not another night
But you know you're gonna miss my kiss
I hope you have a good life
Cause I gotta say bye-bye-bye-bye

Girl this is over
Give me my things back
You can keep the headaches
Just give me my keys back
You ain't gotta lie no more
We ain't seeing eye to eye, no more
Just give me my cds
You can keep the movies
Ain't no need to call me
I'm movin' on completely
You ain't gotta lie no more
We ain't seeing eye to eye, no more
No more, no more
