

# Let's Get Married

Jagged Edge

See, first of all, I know these so called playas wouldn't tell you this  
But I'm a be real and say what's on my heart  
Let's take this chance and make this love feel relevant  
Didn't you know I loved you from the start, yeah

When I think about, all the years we've put in this relationship  
Who knew we'd make it this far, then I think about  
Where would I be if we were to just fall apart  
And I can't stand the thought of losing you

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Girl let's just get married, I just wanna get married

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Let's get married, baby let's get married

Said I done it all, but frankly girl I'm tired of this emptiness  
I wanna come home to you and only you  
'Cause making love to just anyone ain't happening  
I just gotta be with you

Do you think about, us finishing somethin' we started so long ago  
I wanna give you my all  
Do you think about, maybe us having some babies?  
Come on won't you be my lady, forever, yeah

I'm ready to, commit to you  
And I just can't wait for that night  
'Cause I need you here with me  
And let's start a family

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Girl let's just get married, I just wanna get married

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Let's get married
