

# My Girl

Jagged Edge

She's forever my girl, my girl, my girl  
And I'll tell the world

I never had a feeling like this before  
I wasn't ready when I met her no  
I was way to busy clubbin and ??  
And now I'm bout to take you out

Girl I'm back to claim what is mine  
And if you still love me girl then we still got time  
Ain't worried bout what people got stuck on their mind  
The only thing on my mind, is making you mine

And I'll tell the world, the world, the world  
That I love this girl, this girl, this girl  
And I'll tell the world, the world, the world  
She's forever my girl, my girl, my girl  
And I'll tell the world

I never had a feeling like this before  
I'm sick to my stomach, I can't eat no more  
Can't sleep no more, don't wanna go out no more  
I'll give you the love that you deserve if you let me come home

Girl I'm back to claim what is mine  
And if you still love me girl then we still got time  
Ain't worried bout what people got stuck on their mind  
The only thing on my mind, is making you mine

And I'll tell the world, the world, the world  
That I love this girl, this girl, this girl  
And I'll tell the world, the world, the world  
She's forever my girl, my girl, my girl  
And I'll tell the world

And I'll tell the world, the world, the world  
That I love this girl, this girl, this girl  
And I'll tell the world, the world, the world  
She's forever my girl, my girl, my girl  
And I'll tell the world

Let me take a couple seconds here to tell you what I'm talkin' 'bout  
I love this girl but she always tryna put me out  
Me I'm never scared so you know your boy'll be back around  
This time I'll be gone for a little while  
Girl Let me come home

Girl I'm back to claim what is mine  
And if you still love me girl then we still got time  
Ain't worried bout what people got stuck on their mind  
The only thing on my mind, is making you mine

And I'll tell the world, the world, the world  
That I love this girl, this girl, this girl  
And I'll tell the world, the world, the world  
She's forever my girl, my girl, my girl  
And I'll tell the world

And I'll tell the world, the world, the world  
That I love this girl, this girl, this girl  
And I'll tell the world, the world, the world  
She's forever my girl, my girl, my girl  
And I'll tell the world

And I'll tell this girl, yeah yeah  
And I'll tell this girl
