

# Round And Round

Jagged Edge

Aight, so look, I know you think everything I say  
I jus' be talkin', just some lotta B.S., I know  
But we gotta stop goin', back and forth, back and forth  
Up and down, up and down, round and round, round and round  
If it's up to me, I'll make it happen

Baby, we be goin' round and round and round  
It's time to lock it down, time to lock it down  
And I'm givin' up them girls on other sides of town  
Only wantin' you to be around

Baby, we be goin' round and round and round  
It's time to settle down  
Givin' up them girls on other sides of town  
And justify this love that I found  
We be goin' round and round and round

If a tornado swept through towns  
We'd be goin' round and round  
So many years that we stayed down  
You sound like no other sound

If I described my heart right now  
Gotta turn my love side down  
I'm on my knees, in front of you right now  
And I wanna make you mine

Where will this road lead us right now?  
Where we'll stop, nobody knows  
We'll reach our pot of gold somehow  
Just keep holdin' on

Like a merry-go-round  
We keep, goin' round and round  
We keep, we keep, goin' round and round  
And I'm ready when you are to let my game go

Baby, we be goin' round and round and round  
It's time to lock it down, time to lock it down  
And I'm givin' up them girls on other sides of town  
Only wantin' you to be around

Baby, we be goin' round and round and round  
It's time to settle down, time to settle down  
Givin' up them girls on other sides of town  
And justify this love that I found  
We be goin' round and round and round

It's like the spokes on a old 64  
We be goin' round and round  
No one but you can hold this crown  
So here's the plan, girl

I'm tradin' in my J's for some flip-flops  
I'm spendin' all my nights here with you  
We're so wrapped up in this beat, like it's hip hop  
I'm never gonna let you go

Where will this road lead us right now?  
Where we'll stop, nobody knows  
We'll reach our pot of gold somehow  
Just keep holdin' on

Like a merry-go-round  
We keep goin' round and round  
We keep, we keep goin' round and round  
And I'm ready when you are to let my game go

Baby, we be goin' round and round and round  
It's time to lock it down, time to lock it down  
And I'm givin' up them girls on other sides of town  
Only wantin' you to be around

Baby, we be goin' round and round and round  
It's time to settle down  
Givin' up them girls on other sides of town  
And justify this love that I found  
We be goin' round and round and round

Baby, the storm is over  
Been through our worst together  
Stoppin' us now, no ups and downs  
We ain't goin' round and round no more

Baby, we be goin' round and round and round  
It's time to lock it down, time to lock it down  
And I'm givin' up them girls on other sides of town  
Only wantin' you to be around

Baby, we be goin' round and round and round  
It's time to settle down  
Givin' up them girls on other sides of town  
And justify this love that I found  
We be goin' round and round and round
