Jagged Edge

See I Been Around
But I ain't Had Nothin? Better than
She leave me sick before she serve me with the medicine
She From The Bricks Where Them Thugs Be Pedaling
Somethin So Sweet

The Reason Why I Like Her Cause She Ride My Beat
Not Too Much Conversation Keep It Short And Sweet
She Somethin Like A Model
Shaped Like A Coke Bottle
Gotta Be Full Throttle If She Riding With Me

In My Cadillac It Don?t Matter Where We At
She Don?t Give A Damn
She?s So Amazing
She Do Me Right And We Keep On Blazin
Sex So Good I feel Like A Patient
On My ??
On The Deck In The Back
She Don?t Give A Damn
She?s So Amazing
She Do Me Right And We Keep On Blazin
And It?s So Hard To Believe She?s So Amazing

She?s Mesmerized And Tantalizing Like Rio
Keep Her On the Phone Checking In Like A P.O
Speaking At My Heart Just To Be Mwe Frio
She Tryin to Warm It Up
Just To Keep Me Out The Cut
She Do Me Everyday But She Just My Freak
You Can Try To Get Her She Won?t Even Speak
She Find A Way To Keep My Guard Down Like Eve
She So Amazing

She Right Off The Page Of A Woman?s Book
She So Amazing With Every Look
Keep My Heart Racing Everytime She Come & Open My Passenger Door
