

Way To Say I Love You

Jagged Edge

Girl, if you're in your car or the crib
Listen girl, reminisce
Know that this song is for you
It's for you, it's, it's for you

If you know who you are
You're my heart, I'm missing, been missing you
Know that this song is for you
It's a way to say I love you

Maybe you was out there creepin'
You know, only you know
Or maybe you was doing all the things you supposed to do

Either way it goes, this songs covers it
Baby, you can press play and just walk away
'Cuz if you tryna get it right, I'm just saying I love you
Love you, I love you

Girl, if you're in your car or the crib
Listen girl, reminisce
Know that this song is for you
It's for you, it's, it's for you

If you know who you are
You're my heart, I'm missing, been missing you
Know that this song is for you
It's a way to say I love you

It's a way to say I love you
(Way to say I love you)
It's a way to say I love you
It's a way to say I love you
And you know it, girl

Got you balloons, sent to your job today
Later on when you get home
Hundred roses are leading through the doorway
I hope that you like that, baby

Got the water so hot and ready
I know, I know that
It might not be much but it means so much
Just a way to say I love you

Girl, if you're in your car or the crib
Listen girl, reminisce
Know that this song is for you
It's for you, it's, it's for you

If you know who you are
You're my heart, I'm missing, been missing you
Know that this song is for you
It's a way to say I love you

Way to say I love you
It's a way to say I love you

It's a way to say I love you
