

## Wednesday Lover

Jagged Edge

Every now & then, you may not know just when  
You'll find a love that will treat you right  
Cuz I'm so glad 2 say, that love just came my way  
It was on a very special night.

Wednesday lover, wednesday lover, wednesday lover  
There's no other, she's more than I would need (more than I got  
)  
more than i ever would need, yeah  
There's no other, there's no other, there's no other love that  
I need (there's no other) 3 love, no other  
All that I know, she's the one, I know she's the one, know she'  
s the one 4 me,yeah.

And all my worldly days, I dare to never suppress  
The way she makes me feel inside  
A tender love so sweet  
She makes my life complete  
I always want her by my side.

It seems like all the other days, they take me much 2 far away  
But I'm longing 4 you...you.... 4 you  
Thursday, Friday, Saturday  
I wish they all could run away, what am I 2 do  
I wanna get back 2 you, oh, oh

With all my heatness, I dare never surpress  
The way she makes me feel inside  
A tender love so sweet  
She makes my life complete  
I always want her by my side.

Let me hear you say  
Whoa, ooo, whoa,ooo,whoa..... (whoa,whoa,whoa,whoa)  
whoa,ooo, whoa,ooo,whoa  
And he said, I say, oooo baby  
More than I ever, more than I ever would need yeah  
Let me hear you say Whoa, ooo, whoa,ooo,whoa  
whoa,ooo, whoa,ooo,whoa  
Baby I know she's the one, I know she the one.....
