

You Can Always Go

Jagged Edge

Ooh, ooh
Come on, come on, come on

Yo you can always go
I'm saying yo
If you ain't with it
You can split it baby
Yo forgive me I am not for you
Gotta let you know
Baby you can be just like wall
Just let me know
And you can go

Just wanna know why
You don't be here like you're supposed to
Just wanna know why
Do you - and why you drink so much to
Just wanna know why
You can't be what I want you to be
If you want me, oh yeah
(Yo, yo, yo, yo)

You know, I know
You ain't try-na change so
You go, I go
We ain't gotta stress no more
You know we ain't gotta stress no more

Just wanna know why
You always trippin' about what I don't do
(Why you trippin'?)
Just wanna know why
You try-na change me
When you got at me
Don't think that you're better than me
Just cause you don't get down me
Let a man be a man be a man
Or I'mma go, yeah
(Yo, yo, yo, yo)

You know, I know
You ain't try-na change so
You go, I go
We ain't gotta stress no more
You ain't gotta stress no more
Baby you can go, yeah

You say you want me
Baby now I see
That you just wanna change me

No, you're not what you said you were
So you can get your things and go

We can go bounce, baby bounce, be out
As a matter fact mama wait a minute
(Hold up!)

This is my house
So yeah I ain't going no where so pack yours
Have a good life, whoa THAT AIN'T YOURS
Forget it I have another White Amara
Under the covers baby I'm the R.O.C.
Hopefully I'll call ya
Yeah sure please do me a favor
If you gon' leave twist lock the door
And drop the keys, ya know
