

Guiding Star

Jah Cure

Aye yay yoooo yoooooo
Rastafari love

Jah is my guiding star
Whether near or far
He is my light that shines within
Unto me Jah is everything
No noo
He's my guiding star
A whether near or far
He's my light that shines within
Unto me Jah is everythinggg

The way to the Father is narrow
The way to distruction is wide
My brother man on di other side
Please take the righteous road
I know how hard you try
I see it in your eyes
And to you my nations of people
I never tell a liiiiie

Sometimes the road gets foggy
But I'll never give it uuup
And Jah will shine His liiight
He always fills my cup
The way the system carry
Is very very heavy
My people hold on strong
You got to be strong to live longgg
Why wooo aye

Thy moon and stars, are all in place
Of you I take notice of Mother Earth
What a wonderful place
Thou has mighty hands created
Let us give thanks why wooo
Jah Jah will guide over us all day
I'll watch and praaayyy
Aye Lord
