

# True Reflections

Jah Cure

hmmmm

Dah da da da dah die  
Dah da da da dah die

Behind these prison walls  
Doing my paces, doing my time  
Spending my restless nights  
Visioning faces, oh they are crying, crying  
Prison a no bed a roses  
The levity it makes mi bawl  
I wish that Jah could come and take us back in time

Cause I swear that I can be a better man  
Yes I swear if only you could understand  
The faith in me shall set me free reflection  
The faith in me shall set me free reflection

Dah da da da da dah die

Behind these metal bars  
To Jah Jah I'm chanting  
I pray for love devine  
I'm oh so sorry a man  
Deeply I'm hurting  
The price ordained to be mine  
Impossible to see the changes that I have made in my life  
All they see is just the boy I left behind

And I swear that I can be a better man  
Yes I swear if only you could understand  
The faith in me shall set me free reflection  
The faith in me shall set me free reflection

Dah da da da da dah die

Don't judge me wrong  
Cause now I'm stronger than I was before  
I was young and unwise  
Didn't you hear my cry  
Impossible to see the changes that I made in my life  
All they see is just the boy I left behind

Cause I swear I can be a better man  
I swear if only you could understand  
I swear I can be a better man  
And I swear I swear  
The faith in me shall set me free reflection  
The faith in me shall set me free  
The faith in me shall set me free

Mmmmm mmmmm  
The faith shall set me free  
Set me free free yeah  
Freeee .
