You got me baby This here going for all the ladies, oh All I really want is your ghetto love 24/7 we'll be makin' love I'll take it downess if you want me too Just one and many things I wanna do to you (Girl) Don't you get scared I'm gonna take my time Whatever it takes that'll make you mine It's getting late save a thing for J Let me love you my ghetto love way, yeah Baby 2 weeks ago I might you at that party You was knockin' by and rockin' lookin' my way Standin' at the crossing at the party I was tempting (Tempting) to slide across the floor To drop my digits Then you looked and turned away Like you weren't with it But I knew in my heart that I Could rippin' girl I'm givin' you what you wanna do All I really want is your ghetto love 24/7 we'll be makin' love I'll take it downess if you want me too Just one and many things I wanna do to you (Girl) Don't you get scared I'm gonna take my time Whatever it takes that'll make you mine It's getting late save a thing for J Let me love you my ghetto love way, yeah Baby 2 weeks ago I might you at that party You was knockin' by and rockin' lookin' my way Standin' at the crossing at the party I was tempting (Tempting) to slide across the floor To drop my digits Then you looked and turned away Like you weren't with it But I knew in my heart that I Could rippin' girl I'm givin' you what you wanna do Stop frontin' it's time to give a Nigga what he wanted You know I got that flavor Don't you want it? (Don't you want it) While I'm lookin' in your eyes As you kissin' on my lips Girl I'm rubbin' on your thighs You got me slippin' (slippin') To find a tahj got a nigga chicken, yeah So all I wanna do What you wanna do? While you persistent upon I got's to tell the truth

24/7 we'll be makin' love I'll take it downess if you want me too Just one and many things I wanna do to you (Girl) Don't you get scared I'm gonna take my time Whatever it takes that'll make you mine It's getting late save a thing for J Let me love you my ghetto love way, yeah Baby 2 weeks ago I might you at that party You was knockin' by and rockin' lookin' my way Standin' at the crossing at the party I was tempting (Tempting) to slide across the floor To drop my digits Then you looked and turned away Like you weren't with it But I knew in my heart that I Could rippin' girl I'm givin' you what you wanna do

(Flippin' up) Stop the fake keep it real
What's the deal (Wanna tear it up)
You know just where a man
Ain't trying it right for you
(Wanna wipe it up) Slide up to my crib
That's where I penetrate (Wanna tear it up)
Shawnalay by the fire place you ridin' (Wanna wipe it up)
JaJa's gonna freak you know
How you want it girl (Gonna tear it up)
Gonna put in work until you see the sun
Come up (Gonna wipe it up)
Hands up in my back
She done it like that
That's all I really want
Tell me can you handle that?

All I really want is your ghetto love 24/7 we'll be makin' love I'll take it downess if you want me too Just one and many things I wanna do to you (Girl) Don't you get scared I'm gonna take my time Whatever it takes that'll make you mine It's getting late save a thing for J Let me love you my ghetto love way, yeah Baby 2 weeks ago I might you at that party You was knockin' by and rockin' lookin' my way Standin' at the crossing at the party I was tempting (Tempting) to slide across the floor To drop my digits Then you looked and turned away Like you weren't with it But I knew in my heart that I Could rippin' girl I'm givin' you what you wanna do
