Me And My Bitch

Sitting here with carats in your ears, mink on your back, your bank account stacked You deserve everything you got cause you held me down when thin gs got hot on the block Looking back I remember the days when shit got thick you were t he first to say "Baby keep your head up, it will be ok" You're better off without that kind of bad ass nigga anyway It's on tonight Cash up in the dash and I'm feelin right Got heat up in the seat just in case of beef for anyone who wanna come test me and my baby Honey don't be afraid See this cat ridin in that Escalade plotting on my riches yeah he will get slayed Messin 'round with me and my lady, me and my bitch You're a dream you're my ghetto queen If I ain't got nobody els e I know I got you on my team So I knock, get the cake, cop the rocks, meet your pops then mo ve your whole family off the block Still niggas talking this and that Jah don't how to treat you d on't know how to act You're a good girl you deserve better than that when in fac t accounts are major got your name attached It's on tonight do what you like Whatever's wrong I'll make it right Got your back count on that Whatever you need I'm down for you cause

You're on my team you're my everything Your doe gettin low girl I gots to pay So tonight it's all on you so won't you let your boy know what you trying to do
