Fix You

Jai Waetford

When you try your best, but you don't succeed When you get what you want, but not what you need When you feel so tired, but you can't sleep Stuck in reverse

And the tears come streaming down your face When you lose something you can't replace When you love someone, but it goes to waste Could it be worse?

Lights will guide you home And ignite your bones And I will try to fix you

High up above or down below When you're too in love to let it go But if you never try you'll never know Just what you're worth

Lights will guide you home And ignite your bones And I will try to fix you

When tears stream down your face When you lose something you cannot replace When tears stream down your face And I...

When tears stream down your face I promise you I will learn from my mistakes When tears stream down your face And I...

Lights will guide you home And ignite your bones And I will try to fix you
