## **Upside Down**

## **Jakalope**

Find comfort in the unknown Making friends with a foe Come and get me lets go Walk down a blinding road Where light makes fast Go slow

Catch the world sleeping in Go devour it whole Every smile Every confusion Just go on, go on, go on

Dive into a photobooth

Snap it for Japan, yeah oh

Crawl in to a corner, and creep into

The upside down
I've been breakin baby
Turn me down
I've been shakin lately

Take a little time
Would you mess around my mind
You just trip, trip, trip
And I...

Never seen so much light
As when it hits the midnight
Look strangers in the eye
Until it goes out of style
What do you think you know.
Dive in to a corner, and creep into

The upside down
I've been breakin baby
Turn me down
I've been shakin lately
Take a little time
Would you mess around my mind
You just trip, trip, trip
And I fall

You just trip, trip, trip And I fall [x2]

Go!

Upside down
I've been breakin baby
Turn me down
I've been shakin lately
Take a little time
Would you mess around my mind
You just trip, trip, trip

Upside down

I've been breakin baby
Turn me down
I've been shakin lately
Take a little time
Would you mess around my mind
You just trip, trip, trip
You just trip, trip, trip

Hey! [x8]
Ichi!
Ni!
San!
Shi!

Upside down
I've been breakin baby
Turn me down
I've been shakin lately [x2]

Upside down
(Ever morning brings old to new)
I've been breakin baby
Upside down
(ever time i want to go)
I've been shaking lately
Turn me down
(Ever morning brings old to new)
I've been breakin baby
Upside Down
(every time i want to go)
I've been shakin lately
