

A Change in the Air

Jake Bugg

Dry my eyes just to greet the day,
Lift myself up from where I lay,
Simple silence, my only friend,
The only one on whom I can depend.

Oh, please won't you please, won't you please,
Won't you please, won't you,
Save all the grace til the hurtin' disappears?

And there's a change in the air,
I can feel it,
How my heart cannot bare,
Can you feel it?
Save all the grace til the hurtin' disappears.

I don't know where I've come to find,
All the hearts beatin' out of time,
As I try not to figure out,
All the things I have come to doubt in my head.

Oh please won't you please, won't you please,
Won't you please, won't you,
Save all the grace til the hurtin' disappears?

And there's a change in the air,
I can feel it,
How my heart cannot bare,
Can you feel it?
Save all the grace til the hurtin' disappears.

Oh please won't you please, won't you please,
Won't you please, won't you,
Save all the grace til the hurtin' disappears?

'Cause there's a change in the air,
I can feel it,
How my heart cannot bare,
Can you feel it?
Save all the grace til the hurtin' disappears,
Save all the grace til the hurtin' disappears,
Save all the grace til the hurtin' disappears.
