

## Hold on You

Jake Bugg

Lady, I've been thinkin' about you,  
Said lady, I said I think about you.

Honey, I said I don't think twice,  
Honey, I said I don't think twice.

No, I don't need your lovin',  
When you get real mad,  
I know it's all mixed up,  
From the hold of your hand,  
Baby, I got a hold on you,  
Cryin' baby, I got a hold on you.

Honey, I said I don't look back,  
Honey, I said I don't look back,  
Lady, I said I don't think twice,  
Lady, I said I don't think twice.

No, you don't give me lovin',  
When I need real bad,  
You got it all mixed up,  
From the hold of your hand,  
Baby, I said I got a hold on you,  
Cryin' baby, I got a hold on you.
