

Hold on You

Jake Bugg

Lady, I've been thinkin' about you,
Said lady, I said I think about you.

Honey, I said I don't think twice,
Honey, I said I don't think twice.

No, I don't need your lovin',
When you get real mad,
I know it's all mixed up,
From the hold of your hand,
Baby, I got a hold on you,
Cryin' baby, I got a hold on you.

Honey, I said I don't look back,
Honey, I said I don't look back,
Lady, I said I don't think twice,
Lady, I said I don't think twice.

No, you don't give me lovin',
When I need real bad,
You got it all mixed up,
From the hold of your hand,
Baby, I said I got a hold on you,
Cryin' baby, I got a hold on you.
