

## Never Wanna Dance

Jake Bugg

And I don't know if I know ya  
I know it sounds bad  
And I don't know if I need ya  
I know I must be mad

And if suddenly you leave  
How we learn to stay?  
'Cause you don't need a guy like me

Who never wants to dance

And I don't know if I need ya  
I know it might be cruel  
And I don't think that I love ya  
I know I'm such a fool

But I'll be waiting by the door  
Waiting on for hours  
But I'll be waiting all alone  
For a love that's not out

And if suddenly you leave  
How we learn to stay?  
'Cause you don't need a guy like me

Who never wants to dance  
Never wants to dance
