Never Wanna Dance

Jake Bugg

And I don't know if I know ya I know it sounds bad And I don't know if I need ya I know I must be mad

And if suddenly you leave How we learn to stay? 'Cause you don't need a guy like me

Who never wants to dance

And I don't know if I need ya
I know it might be cruel
And I don't think that I love ya
I know I'm such a fool

But I'll be waiting by the door Waiting on for hours
But I'll be waiting all alone
For a love that's not out

And if suddenly you leave How we learn to stay? 'Cause you don't need a guy like me

Who never wants to dance Never wants to dance
