

## Note to Self

Jake Bugg

Girl, you've been forgetting  
Just how special you really are  
And I try to remind you  
Sometimes I can't find you  
But the truth is in your heart

So write a note to yourself

Girl, don't beat yourself up  
Your best is good enough  
So pick the pen up

So write a note to yourself,  
A note to yourself  
And don't be cruel,  
'Cause things do happen  
And you know it's not your fault  
Don't cover your wounds with the salt

Girl, let me tell you what I see  
You've got to believe me  
You're a thing of beauty

Girl, put it in an envelope  
Put it in the post  
It'll come back to your door

So write a note to yourself,  
A note to yourself  
And don't be cruel,  
'Cause things do happen  
And you know it's not your fault  
Don't cover your wounds with the salt

And write a note to yourself  
And read the note to yourself
