

Someone Told Me

Jake Bugg

Am I crazy or am I blind
Someone told me I'm out my mind oh oh oh
Someone told me a girl I like
Fell in love and all I did was cry oh oh oh

Someone hold me I am done with this game
Said I'm sorry but I'm not to blame
What a shame oh oh oh

Tried to break from this lonely pain
Someone told me I'm just insane oh oh oh
Broke my heart when I knew,
That I could never be with you oh oh oh

Someone loved me but not today
Will you show me, show me a way
How to love oh oh oh

Someone told me a girl I like
Fell in love and all I did was cry oh oh oh
