## Someone Told Me

## **Jake Bugg**

Am I crazy or am I blind Someone told me I'm out my mind oh oh oh Someone told me a girl I like Fell in love and all I did was cry oh oh oh

Someone hold me I am done with this game Said I'm sorry but I'm not to blame What a shame oh oh oh

Tried to break from this lonely pain Someone told me I'm just insane oh oh oh Broke my heart when I knew, That I could never be with you oh oh oh

Someone loved me but not today Will you show me, show me a way How to love oh oh oh

Someone told me a girl I like Fell in love and all I did was cry oh oh oh
