

Strange Creatures

Jake Bugg

Oh it's a cold world
But it's home to me
Oh a little ghost of a girl
She came to me
She's been haunting me

Strange creatures
Oh yeah you and I both
Strange creatures
Deep down you and I both

This man knows it all
Don't have a clue about me
I'm in a nightmare
Not a thing can set me free
If only we could see

That we're strange creatures
Oh yeah you and I both
Strange creatures
Deep down you and I both
Ohhhhhh

Strange creatures
Oh yeah you and I both
Strange creatures
Deep down you and I both
Strange creatures
Deep down you and I both
