

# First Flight Home

Jake Miller

Yeah

I hope you still remember what I look like  
I haven't seen you in a minute  
Last night I had the kind of dream that you just don't wanna wake up from  
and that's 'cause you were in it  
So this morning when I woke up it felt more like a nightmare  
'cause I rolled over and I thought you'd be right there  
but nope  
I'm just laying here alone  
on my own  
wishing I was on the first flight home

I'll be home in no time  
I promise when I touch down it'll be like I never left singin'  
I'll be home in no time  
By the way check your phone 'cause I just sent you a text sayin'

Hey  
I've been gone forever,  
I'm coming home tonight  
We'll be back together this plane gon' fly  
I can't predict the weather  
But you should know that I  
I'll be on the first flight home  
I'll be on the first flight home

And I bet if I left right now  
I'd probably make it to you by the morning  
So I'm packing up my bags hopping on this red eye  
I'll be there before your eyes even open  
Hurry up and tell the pilot to take off  
So we could pick up right where we left off  
I can't believe it I'm finally on my way  
Feels so damn good to be able to say

I'll be home in no time  
I promise when I touch down it'll be like I never left singin'  
I'll be home in no time  
By the way check your phone 'cause I just sent you a text sayin'

Hey  
I've been gone forever,  
I'm coming home tonight  
We'll be back together this plane gon' fly  
I can't predict the weather  
But you should know that I  
I'll be on the first flight home  
I'll be on the first flight home  
I'll be coming back tonight keep your head up to the sky 'cause  
I'll be on the first flight home  
I'll be on the first flight home

Yeah and I now pull up to your driveway  
Been a while since I've been on this block  
And now I walk up to your front door  
I know you recognize that same knock  
I hear you running down the stairs now

Tears running down your face  
Then you open up that front door  
And I look at you and say

Hey, I know I've been gone forever  
But I'm finally home tonight  
Now that I'm here I'm never leaving your side  
I told you I was coming  
Sorry it took so long  
I was on that first flight home  
I was on the first flight home

Hey  
I've been gone forever,  
I'm coming home tonight  
We'll be back together this plane gon' fly  
I can't predict the weather  
But you should know that I  
I'll be on the first flight home  
I'll be on the first flight home  
I'll be coming back tonight keep your head up to the sky 'cause  
I'll be on the first flight home  
I'll be on the first flight home
