

Hollywood

Jake Miller

We livin' a dream (we goin' Hollywood)
Just me and my team (we goin' Hollywood)
Fresh up on the scene (we goin' Hollywood)
(Yea we goin' Hollywood, g-g-goin' Hollywood)

Yea we goin' Hollywood, why you lookin' mad bro?
Probably 'cause these girls following me like a shadow
We taking over the game, just call me super smash bro
These girls waving like flagpoles, making all of this cash flow
I'm ridin' round LA, we call that California roll
Pullin' up to valet, jaws droppin' like dominoes
I'm killin' this shit, man I do it
'Cus Jennifer Love me like Hewitt
Now I'm looking back at my old life
Thinking to myself I knew it

We live the life
Looking down on LA lights
Staring at the Hollywood sign
Yea, we alright, baby
We alright

We livin' a dream (we goin' Hollywood)
Just me and my team (we goin' Hollywood)
Fresh up on the scene (we goin' Hollywood)
(Yea we goin' Hollywood, g-g-goin' Hollywood)

Yea, we goin' Hollywood, me and all of my people
They treatin' us like rock stars, you would think that we were The Beatles
All these girls hittin' my cellie, they saw me on the telly
Got a blonde chick right next to me like Regis and Kelly
I got TMZ recording me, 15 cops escorting me
Said sayonara to my old life
'Cause that shit started boring me
Got caviar on my plate now, feelin' like the man
I don't even think that it taste good, I'm just eatin' it 'cause I can, bitc
