

## Alone with You

Jake Owen

I don't see you laugh  
You don't call me back  
But you kiss me when you're drunk

I don't know your friends  
Don't know where you've been  
Why are you the one I want

Don't put your lips up to my mouth and tell me you can't stay  
Don't slip your hand under my shirt and tell me it's okay  
Don't say it doesn't matter cause it's gonna matter to me  
I can't be alone with you...  
You've got me out on the edge every time you call  
And I know it would kill me if I fall  
I can't be alone with you

Please don't chain that door  
I can't win this war  
Your body's like a pill I shouldn't take

Don't put your lips up to my mouth and tell me you can't stay  
Don't slip your hand under my shirt and tell me it's okay  
Don't say it doesn't matter cause it's gonna matter to me  
I can't be alone with you...  
You've got me out on the edge every time you call  
And I know it would kill me if I fall  
I can't be alone with you

Don't put your lips up to my mouth and tell me you can't stay  
Don't slip your hand under my shirt and tell me it's okay  
Don't say you love me cause you know you're gonna love me and I  
leave  
I can't be alone with you...  
You've got me out on the edge every time you call  
And I know it would kill me if I fall  
I can't be alone with you

I don't see you laugh  
You don't call me back  
But you kiss me when you're drunk
