

Ain't Nobody

Jaki Graham

Captured effortlessly
Thats the way it was
Happened so naturally
I did not know it was love
The next thing I felt was you
Holding me close
What was I gonna do?
I let myself go

And now were flyin through the stars
I hope this night will last forever

Ive been waitin for you
Its been so long
I knew just what I would do
When I heard your song
Filled my heart with your bliss
Gave me freedom
You knew I could not resist
I needed someone

And now were flyin through the stars
I hope this night will last forever
Oh oh oh oh

Chorus:
Aint nobody
Loves me better
Makes me happy
Makes me feel this way
Aint nobody
Loves me better than you

I wait for night time to come
To bring you to me
Cant believe Im the one
I was so lonely
I feel like no one could feel
I must be dreamin
I want this dream to be real
I need this feelin

I make my wish upon a star
And hope this night will last forever

Chorus

And first you put your arms around me
Then you put your charms around me
I cant resist this sweet surrender
Oh my nights are warm and tender
We stare into each others eyes
And what we see is no surprise
Got a feeling most with treasure
And a love so deep we cannot measure
