

Boy Next Door

Jamelia

Ummmmmm, yeah ah yeah yeah

Never ever, in a million years
Was this what, I was thinking of
My first friend becoming my first love
Crazy, some how it never crossed my mind

Used to be the one who play with my toys an
Never would of thought of you as a boyfriend
If you'd asked who I was looking for,
I would have said someone like the boy next door
Growing up if you had ever told me,
I would have laughed and said you were crazy
Never be with the boy next door
You'd be the one I'd be wanting to hold me

So hold you, showed you, everthing in my life
When we go cruising in your ride
Found love growing in my own backyard
So why, was I taken by suprise

Playing hide an seek
Didn't wanted to go inside
In the summer heat
Wanna hang out until sunrise
You wouldn't be in my life
Whenever anyone saw me, they saw you too
Whenever I was down, never had a doubt

Used to be the one who play with my toys an
Never would of thought of you as a boyfriend
If you'd asked who I was looking for,
I would have said someone like the boy next door
You'd be the one I'd be wanting to hold me
Never be with the boy next door
Growing up if you had ever told me,
I would have laughed and said you were crazy
Used to be the one who play with my toys an

Never would of thought of you as a boyfriend
