

Hmm yeh yeh yeh yeh

Baby I found a letter today  
Oh it's so beautiful  
Declaring your undying love so poetically  
But it wasn't written to me  
So I guess I wasn't s'pose to see  
Although last night you were loving me  
Wanting to spend your life with me  
Why couldn't you just talk to me?  
And say J you're not the one  
Instead of f\*ing with my head  
And now I want you dead  
No matter what the consequences

I'ma bout to do life for you  
Got that live or die love for you  
And I swear if I don't have you then nobody will  
Nobody will  
I'm perpared to do live for you  
put my ass on death row you  
And I swear if I can't have you then nobody can  
Nobody can

Baby what does she do that I don't?  
Only one thing I can think of  
shes a ho and go where I wont  
Tell me why do I,  
stand here with this ring upon my finger  
Is it nothing but your jus another confused....  
How could you lead me on  
and make me tell my daddy you're the one?  
She can't love you like I do  
But you don't love me like I love you so

I'ma bout to do life for you  
Got that live or die love for you  
And I swear if I don't have you then nobody will  
Nobody will  
I'm perpared to do live for you  
put my ass on death row you  
And I swear if I can't have you then nobody can  
Nobody can

This cannot be the ending  
On you I'm depending  
This eternal loves in my heart  
We just can't be apart  
I'm gonna hold on forever  
And let you leave me never  
You ripped out my heart and I feel like I'm dying  
I'm taking you with me and there's no denying

I'ma bout to do life for you  
Got that live or die love for you  
And I swear if I don't have you then nobody will  
Nobody will

I'm perpared to do live for you  
put my ass on death row you  
And I swear if I can't have you then nobody can  
Nobody can

I'ma bout to do life for you  
Got that live or die love for you  
And I swear if I don't have you then nobody will  
Nobody will  
I'm perpared to do live for you  
put my ass on death row you  
And I swear if I can't have you then nobody can  
Nobody can
