

# At My Weakest

James Arthur

It's a long night and a big crowd  
Under these lights looking 'round for you  
Yeah, I'm steppin' outside under moonlight  
To get my head right, lookin' out for you, yeah

Could it be your eyes  
Didn't know that I've been  
Waitin', waitin' for you  
When you by my side, everything's alright  
Crazy, I'm crazy for you

Oh, here I go, down that road  
Again and again the fool rushin' in  
But I can't help when I feel so kind of way  
Do you feel the same? 'course  
And I fall, I fall for you  
You caught me at my weakest  
And I'll fall for you

Nah, It's a long night and a big crowd  
Under these lights looking 'round for you  
Mhmhmhmhm  
You, you give me hope right  
Reason desire livin' this life  
Only now for you  
Oh, for you

When you by side everything's alright  
I'm crazy, I'm crazy for you

Oh, here I go down that road  
Again and again the fool rushin' in  
But I can't help when I feel so kind of way  
Do you feel the same? 'course  
And I fall, I fall for you  
You caught me at my weakest  
I fall, I fall for you  
You caught me at my weakest  
I'll fall for you

Love you gonna-gonna hold on me  
Tell me what you gonna do to me  
Now you gonna got your hands on me  
Tell me what you gonna do

And here I go down that road  
Again and again the fool rushin' in  
But I can't help when I feel so kind of way  
Do you feel the same?

'Cause I fall, I fall for you  
You caught me at my weakest  
Yeah, I fall, I fall for you  
You caught me at my weakest  
And I fall for you
