

# Falling Like the Stars

James Arthur

I swear to God, when I come home  
I'm gonna hold you so close  
I swear to God, when I come home  
I'll never let go

Like a river, I flow  
To the ocean unknown  
You pull me close  
Guiding me home

And I need you to know that we're  
Falling so fast  
We're falling like the stars  
Falling in love  
And I'm not scared to say those words  
With you I'm safe  
We're falling like the stars  
We're falling in love

I swear to God, I can see  
Four kids and no sleep  
We'll have one on each knee  
You and me

And when they've grown up  
You're still the girl in the club  
When I held your hair up  
'Cause you'd had too much

And I need you to know that we're  
Falling so fast  
We're falling like the stars  
Falling in love  
And I'm not scared to say those words  
With you I'm safe  
We're falling like the stars  
Falling in love

I swear to God, every day  
He won't take you away  
'Cause without you, babe  
I lose my way

Oh I'm in love, oh I'm in love, oh I'm in love  
Oh I'm in love, oh I'm in love, oh I'm in love  
(Falling like the stars)

And I need you to know that we're  
Falling so fast  
We're falling like the stars  
Falling in love  
And I'm not scared to say those words  
With you I'm safe  
We're falling like the stars  
We're falling in love
