

# Phoenix

James Arthur

Let me, let me begin  
Let me begin, with an I.O.U  
Oh, I owe everything to  
Lately, lately my friend  
Lately, you think I'm ignoring you  
But I've been trying to pull through

All of the pain, I know you're looking down, down on me  
I could have been someone  
I hurt everyone  
Pushed away everyone who got near

Tell me something that I don't know  
I couldn't let you go  
Fell on my knees, turned my face to the rain  
And that's when you heard my calls  
Sold me my stubborn soul  
Phoenix is rising, it's rising again  
Woah, oo, oo  
Woah, oo, oo  
Woah, oo, oo

Save me, save me again  
Save me the way that you did before  
Cause no one ever could have loved me more  
Give me, give me the strength  
Give me the strength when I need it more  
Give me the reason that I'm looking for

I was a pain, they were looking down, down on me  
I could have been someone  
I hurt everyone  
Pushed away everyone that was near

Tell me something that I don't know  
I couldn't let you go  
Fell on my knees, turned my face to the rain  
And that's when you heard my calls  
Sold me my stubborn soul  
Phoenix is rising, it's rising again  
Woah, oo, oo  
Woah, oo, oo  
Woah, oo, oo  
Rising  
Woah, oo, oo  
It's rising  
Woah, oo, oo  
It's rising  
Woah, oo, oo

You took the pain  
When my world caved down on me  
Now I have someone  
Cause you came and you showed me the world

Tell me something that I don't know  
I couldn't let you go (I couldn't let)

Fell on my knees (on my knees)  
Turned my face to the rain  
And that's when you heard my calls  
Sold me my stubborn soul (you sold me the soul)  
Phoenix is rising, it's rising again (phoenix is rising)

Tell me something that I don't know  
I couldn't let you go  
Fell on my knees, turned my face to the rain  
And that's when you heard my calls  
Sold me my stubborn soul  
Phoenix is rising
