

# Roses

James Arthur

I could've chose anybody but I chose you  
Ooh ooh  
Help me get better, you pull me right out of the blue  
Oh oh

And daddy don't like you but daddy and I never speak  
Ee ee  
Every night when I wake up I need you to get back to sleep  
Ee ee

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter, so sweet  
You're my bang, together we go bang bang bang  
Bang bang bang  
Bang bang bang  
Oh oh, oh oh

You could've chose anybody but you chose me  
Ee ee  
Hiding in bed since 'cause no one around disagrees  
Ee ees

And I feel romantic and since morning I've been acting wild  
I, I  
Shall we eat all the poison and leave all the questions behind?  
I, I

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter, so sweet  
You're my bang, together we go bang bang bang  
Bang bang bang  
Bang bang bang

And all the chemicals and alcohol make for a volatile love  
But stay with me  
Just stay with me  
And I never wanna lose you but I feel that this closeness will tear u  
s apart  
But stay with me  
Stay with me

Bang, bang, bang (4x)

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter, so sweet  
You're my bang, together we go bang bang bang
