

Train Wreck

James Arthur

Laying in the silence
Waiting for the sirens
Signs, any signs I'm alive still
I don't wanna lose it
I'm not getting through this
Hey, should I pray, should I fray
To myself til we're gone
To a saviour who can

Unbreak the broken
Unsay these spoken words
Find hope in the hopeless
Pull me out the train wreck
Unburn the ashes
Unchain the reactions
I'm not ready to die not yet
Pull me out the train wreck
Pull me out, pull me out, pull me out
Pull me out, pull me out

Underneath our bad blood
We still got a sad song, home
Still at home, still at home, yeah
It's not too late to build it back
Cause a one in a million chance
Is still a chance, still a chance
And I would take those odds

Unbreak the broken
Unsay these spoken words
Find hope in the hopeless
Pull me out the train wreck
Unburn the ashes
Unchain the reactions
I'm not ready to die, not yet
Pull me out the train wreck
Pull me out, pull me out, pull me out
Pull me out, pull me out, pull me out

You can say what you like cause see I would die for you
I'm down on my knees and I need you to be my guard
Be my help, be a saviour who can

Unbreak the broken
Unsay these reckless words
Find hope in the hopeless
Pull me out the train wreck
Unburn the ashes
Unchain the reactions
I'm not ready to die, not yet
Pull me out the train wreck
Pull me out, pull me out, pull me out
Pull me out, pull me out, pull me out
