

# Need The Sun To Break

James Bay

I'm halfway gone, sleepless I'm battle-worn  
You're all I want, so bring me the dawn

I need the sun to break, you've woken up my heart  
I'm shaking, all my luck could change  
Been in the dark for weeks and I've realized you're all I need  
and  
I hope that I'm not too late, I hope I'm not too late

Back of the room, how come my friends already know you?  
I feel like a kid, too shy to speak up so I keep it hid  
Oh butterflies, you steal my sleep each night

I need the sun to break, you've woken up my heart  
I'm shaking, all my luck could change  
Been in the dark for weeks and I've realized you're all I need  
and  
I hope I'm not too late, and I hope I'm not too late  
Ooh-ooh-ooh, oh, oh  
Ooh-ooh-ooh, oh, oh  
Ooh-ooh-ooh, oh, oh

Oh no

I need the sun to break, you've woken up my heart  
I'm shaking, all my luck could change  
Been in the dark for weeks and I've realized you're all I need  
I hope that I'm not too late, and I hope I'm not too late  
Oh now yes I hope I'm not too late

Ooh-ooh-ooh, oh, oh  
Ooh-ooh-ooh, oh, oh  
Ooh-ooh-ooh, oh, oh  
Ooh-ooh-ooh, oh, oh
