

# Timeless

James Blake

Timeless, timeless  
Timeless, timeless

I can't be selfless  
I'm acting my age  
You know you slide out when you slide in with graceful shadow  
You know you slide out when you slide in with graceful shadow

Timeless  
Timeless

Timeless

You know you slide out when you slide in  
You know you slide out when you slide in  
You know you slide out when you slide in  
You know you slide out when you slide in
