

# Fall At Your Feet

James Blunt

1. I'm really close tonight  
And I feel like I'm moving inside her  
Lying in the dark  
And I think that I'm beginning to know her  
Let it go  
I'll be there when you call

R: And whenever I fall at your feet  
You let your tears rain down on me  
Whenever I touch your slow turning pain

2. You're hiding from me now  
There's something in the way that you're talking  
Words don't sound right  
But I hear them all moving inside you, go  
I'll be waiting when you call

R: And whenever I fall at your feet...

\*: The finger of blame has turned upon itself  
And I'm more than willing to offer myself  
Do you want my presence or need my help  
Who knows where that might lead  
I fall (2x)

At your feet
