

# Love Love Love

James Blunt

I'm not looking for us  
And neither should you.  
Absolutely gorgeous,  
Then nothing I say is true.  
You won't find yourself  
In these guilty eyes

'Cause I love anybody who's fool enough to believe  
And you're just one of many who broke their heart on me  
And so I say I don't love you,  
Though it kills me  
It's a lie that sets you free.

Love, love, love  
I can't take your  
Love, love, love

And so I say I don't love you,  
Though it kills me  
It's a lie that sets you free.

I will wrap my body  
In other women's arms.  
Make love in a hurry,  
Feel better than I am.  
Hope you find yourself  
In someone else's eyes

'Cause I love anybody who's fool enough to believe  
And you're just one of many who broke their heart on me  
And so I say I don't love you,  
Though it kills me  
It's a lie that sets you free.

Love, love, love  
I can't take your  
Love, love, love

And so I say I don't love you

'Cause I love anybody who's fool enough to believe (Love, love, love)  
And you're just one of many who broke their heart on me (Love, love, love)  
And so I say I don't love you, (Love, love, love)  
Though it kills me  
'Cause it's a lie

'Cause I love anybody who's fool enough to believe (Love, love, love)  
And you're just one of many who broke their heart on me (Love, love, love)  
And so I say I don't love you, (Love, love, love)  
Though it kills me  
It's a lie that sets you free.
