

# Shine On

James Blunt

Are they calling for our last dance?  
I see it in your eyes..... in your eyes  
Same old moves for a new romance  
I could use the same old lies, but I'll sing...

R: Shine on, just shine on  
Close your eyes and they'll all be gone  
They can scream and shout that they've been sold out,  
but it paid for the cloud that we're dancing on  
So shine on, just shine on  
With your smile just as bright as the sun  
Cause they're all just slaves to the Gods they've made  
But you and I just shone, just shone

And when silence greets my last goodbye  
The words I need are in your eyes  
And I'll sing .....

R: Shine on, just shine on...

R: Shine on, just shine on...
