

# Tears And Rain

James Blunt

1. How I wish I could surrender my soul  
shed the clothes that become my skin  
see the liar that burns within my needing  
how I wish I had chosen darkness from cold  
how I wish I could scream out loud instead ive found no meaning

R: I guess it's time I run far, far away. Find comfort in pain  
all pleasures the same it just keeps me from trouble  
hides my true shape, like dorian gray  
I heard what they say, but I'm not here for trouble  
it's more than just words, it's just tears and rain

2. How I wish I could walk through the doors of my mind  
hold memory close at hand,  
help me understand the years  
how I wish I could choose between heaven and hell  
how I wish I could save my sole, I'm so cold from fear

R: I guess it's time I run far, far away. Find comfort in pain  
all pleasures the same it just keeps me from trouble  
hides my true shape, like dorian gray  
I heard what they say, but I'm not here for trouble  
far far away, find comfort in pain  
all pleasures the same it just keeps me from trouble  
it's more than just words, it's just tears and rain
